Johan Swinnen is Director General of the International Food Policy Research Institute (IFPRI). He is also Commissioner in the Food Systems Economics Commission, Co-Chair of the Think20 (T20) Task Force on Climate Change, Sustainable Energy, and Environment and a member of the Africa Europe Strategic Task Force on Sustainable Agriculture and Food Systems. Prior to joining IFPRI, Dr. Swinnen was Director of the LICOS Centre for Institutions and Economic Performance at KU Leuven, Lead Economist at the World Bank, Economic Advisor at the European Commission, and (visiting) professor at several institutions. Dr. Swinnen has published extensively on agricultural and food policies, international development, political economy, institutional reforms, trade, and global value chains, and he has been widely cited.
